

# Florida Cinderella Preliminary Pageant

## This is your invitation ...

To participate in the world’s largest and most prestigious youth development program of its kind. This is your first step towards making your “Cinderella Dreams” come true. In Cinderella, we are searching for a natural, unaffected young lady to represent our program. She should be charming and personable; well-groomed and poised; self-confident; and above all have the character, humility and inner beauty that sets her apart as a leader. A Cinderella winner is at ease in a crowd and is respectful of those around her. Her manners, dress and behavior are age appropriate. It is important to note that the concept of "beauty" in Cinderella is defined as a person's "inner beauty" and strength of character combined with her personal achievements in at least one area of the performing arts as well as her ability to communicate effectively with others. Cinderella does not place emphasis on physical beauty, but rather seeks to promote the beautiful inner person that should reside in everyone.
